WELCOME TO HADDINGTON CARE HOME

Haddington Care Home is a purpose-built care home, that opened in 2018 and offers exceptional levels of Nursing, Residential and Dementia Care.

“
*Living at Haddington
feels like you are part
of one big family.*”

Situated on the banks of the River Tyne in the Royal Burgh of Haddington, Haddington Care Home has 68 en-suite single bedrooms, all equipped with profiling beds. We actively encourage residents to bring small items of furniture, ornaments and pictures to make their room feel like their own and provide a homely living environment

Spread across three floors, Haddington has all of the home comforts you would expect from a luxury facility, with a real attention to detail when it comes to meeting each resident's individual needs.

Living at Haddington feels like you are part of one big family – it has a real community vibe and there is parking so family, friends and even the family dog can visit whenever they wish.

LIFE AT HADDINGTON

Each of our floors has an inviting sitting and dining room, intimate drop points where you can stop for a bit of quiet time and a team of dedicated staff on hand to support residents as best they can.

We also offer a café, a fully equipped hairdressing salon, and a fabulous outdoor terraced area accessible from the ground floor. As well as fantastic views from the rear of the home, you'll often catch a glimpse of the local wildlife by the river. For any green-fingered enthusiasts, there are opportunities to participate in gardening activities.

— Family, friends & a fulfilling life —

Each bedroom has a memory box at the entrance in which residents can place personal items, both helping them to more easily identify their room and encourage conversation.

Our Activities Co-ordinators are on hand to ensure every day is different, and encourage residents to take part in group activities, such as exercise, arts and crafts, quizzes and board games.

Staff support residents to maintain links in the community, by visiting local cafés and shops as the high street is nearby and within easy walking distance. We have regular visits from the local nursery children, which are enjoyed by everyone. Entertainers also visit regularly and we have coffee mornings and fundraising events within the home, which are well attended and supported by the local community.
